

WORKING WITH YOU TO MEET YOUR LOCAL NEEDS

HSC offers a range of services intended to bridge the gap between your strategy and operational realities. We partner with you to provide real time and real life solutions to support you in meeting a range of goals; including strategy, data analysis, planning and implementation.

WHY WORK WITH HSC?

For nearly 20 years, HSC has been providing sector-specific group programs and custom services to Ontario's social housing sector, a clientele comprised of the 47 Service Managers and 1,400+ housing providers. HSC's staff complement of 30 is comprised of multi-disciplinary housing practitioners with decades of experience in a range of business areas, including **strategic analysis, research, data analysis, asset management planning, project management, Expiry of Operating Agreements (EOA) analysis, financial modeling and energy management**. We meet client needs by combining our in-house resources and mobilizing our knowledge of best practices in housing management to address the needs of housing organizations.
